MONTHLY REPORT - JANUARY, 2022

ROADS GRADED:

•

ASPHALT PATCH:

BUILDING/GROUNDS:

Built a sand/salt bin for residence to get dry material and placed outside DPW gate

Remove all Christmas decorations that DPW had put up prior to holidays

Power washed equipment on warmer days outside

ROAD WORK:

WINTER MODE:

Plow, Sand then asphalt patch, power wash REPEAT

Several winter storm events keeps the guys busy prepping then plowing

Hauling our sand in to DPW making our sand/salt mix also working on equipment

On minor repairs.

Brush Mow Side of Roads:

.

BRIDGE WORK:

181 Howard Hill Road, Foster, RI 02825
Phone: 401-392-9201, Fax: 401-702-5010

Continue to work on Ram tail rd bridge when we have the opportunity pointing head walls and have accomplished most of the side head walls on north side above water line.

NOTE: Currently the State lists Foster as owning 10 bridges and score them as follows:

5 bridges in POOR condition

Ram Tail, Covered Bridge, Mill Rd., Helmlock (closed, Pine Tree (Closed and not ours)

4 bridges in FAIR condition

Two on Winsor Rd. Two on North Rd.

Sincerely,
Gordon Rogers
Director of Public Works
